

Smart Key_V2.70 Function List

Note:

1. Region: EU = Europe; AS = Asia; AF = Africa; SA = South America; CN = China; NA = North America; OA = Australia.
2. Applicable Universal Key Type:
 - 2.1 Low frequency universal keys: They are applicable to models with key frequency 315/433M except all BMW and MINI models and some Volvo models.
 - 2.2 BMW low frequency universal key: It is applicable to all BMW and MINI models and some Volvo models with key frequency 315/433M.
 - 2.3 Ford high frequency universal key: It is applicable to Ford models with key frequency 868/915M.
 - 2.4 Toyota 8A low frequency universal key: Applicable to Toyota, Lexus, Subaru and other vehicles with IMMO type 8A(Generation is not supported with the XP200 programmer).
